sydneyfashion.kids How do you maintain your hair? I'm about to let you know about my hair hack!

I use the colour + clenditioner in mocha by @keracolorhair to cleanse and despot colour pigment without it fading.

I then towel dry my hair and brush it with the Tourmaline blowout brush by @wetbrushaustralia to make my blow drying so much easier. My hair is left looking healthy, shimmer and smooth!

What is your hair hack?
