

Friday night in... so what's better than a bit of a pampering sesh! ❤️ I love these Red + Snail Mask from @doubledarespa which are available from @iglamour_au - The Korean made sheet mask are designed to help improve the overall appearance of the skin thanks to a combination of super 8 red ingredients including red bean, rose, camellia Japonica, Tomato, Red Ginseng, Hibiscus, Schisandra Berry Pomegranate along with snail secretarial filtrate 🐌. It also helps stimulate collagen and enhance skin healing and leaves the skin softer, smoother and plumper than ever. And yes, the mask is as pretty red as the picture shows! ❤️ Have you tried any of the masks from #omgdoubledare? ❤️ Ever shopped at #iglamour?
