shinyglitterbug I'm so excited to try my new Silver Bullet Fastlane Rotating Curling Iron from @silverbullethair ~ it couldn't have come at a better time, as my old curling tongs have absolutely had it! What I love about the Silver Bullet? The cord swivels 360 degrees (which is ALL the way around guys! 🤪) and the ceramic barrel curls clockwise or anti-clockwise so you can curl in either direction! This is perfect for me, as I was turning my old tongs upside down to get the curl the correct way and ended up burning my neck in the process! Once I've tried this out properly, I'll post a curled hair shot, but for now, sit back and admire the beauty of my new baby. Isn't she gorgeous? 🥰🥰🥰 {gifted}
