wellers_space Massive thank you to @datelineimports @angela_dateline For sending me this rad @babylissproau clipper to use/review. Massive fan of the @staygold31 colourway on this clipper and has a fair bit of nostalgia for me as I met Sofie at @barberconnyc last year and had a brief freakout before going on the mainstage..🤪 but she got me! Unboxing and review video coming soon! Photo credit @_despitemyfears_
