The Hollywood BLOW-DRY

THIS SIMPLE AND SEXY STYLE IS A RED-CARPET STAPLE

As seen on the likes of Miranda Kerr and Kim Kardashian, the bouncy blow-dry is the ultimate in celebrity red-carpet glamour.

Remington Schulz, salon director at Brad Ngata Hair Direction in Sydney, says this is a fab day-to-play look. 'A blow-dry is casual

enough to wear to the office but polished for after-work drinks.'

The key to nailing this look is prepping to create volume. 'It's like building a house,' Remington says. 'You have to lay the foundation first before you start building, and the way to do that is to use the right product before styling.'
