## GET THE LOOK

- 1 Apply a volumizing mousse to slightly damp hair, and then blow-dry.
- 2 Apply a shine serum, then use a medium-sized curling iron to curl sections of hair.
- 3 Use your fingers to loosen the curls, then a comb to tease the crown and sides.
- 4 Using a paddle brush, softly smooth your hair back and lightly mist with hairspray.
- 5 Grab your hair and twirl it into a loose bun, securing with bobby pins.
- 6 Finish with a spritz of hairspray and voila – instant Hollywood hair!
