# 'I feel like a HOLLYWOOD STAR!'

Reader  
makeover

Want that red carpet 'wow' factor? We show you how to get it as we transform a reader from ho-hum to high glamour

When Kerry Featherstone from Sydney's southern suburbs won a dream makeover, she had no idea of the amount of prepping and pampering it took to get red-carpet ready. But thanks to Designer Brands - the Aussie cosmetics brand whose philosophy is that everyone can look movie-star gorgeous without blowing the budget - we jetted Kerry to Tinseltown to show the busy mum how to get her groove back with our Glam Squad, led by Woman's Day beauty editor Mary Zavaglia.

BEFORE

## GET KERRY'S LOOK...

1 To get va-va-voom locks with lots of movement, Kerry's hair was prepped with a strong-hold styling lotion and blow-dried using a medium round bristle brush. It was then curled with large-barrel curling tongs, loosened up with fingers and positioned around her face to form a natural, cascading wave.

- BabylissPRO Ceramic Conical Curling Iron, \$79.95
- Hair FX 40mm Self Gripping Rollers, \$4.95 for a pack of 6.

AFTER

"Wow! I just can't believe how beautiful I look and feel. I love the bright and colourful outfit as well. It's something I don't usually wear."

"I love how full and bouncy my hair is. I can never get it to look like this!"
