The latest tools, toys and technology

## EVY EVOLUTION

Built with superior ionic technology, the new EVY Evolution 4400 dryer boasts a 50 per cent faster drying time whilst unleashing moisture-lock to ensure hair design is free of static and frizz. The Evolution features a long life lightweight DC motor and body, variable heat and air flow settings, overheat protection for extra safety, diffuser and two nozzles for flexible styling options. **Contact 1300 760 165 or visit [www.evyhair.com.au](http://www.evyhair.com.au)**

## TAME AND RESTORE

Bain De Terre provides shampoo and conditioners to suit frizzy and fine hair. The Macadamia Oil Nourishing line restores fine, damaged and coloured hair with therapeutic oils and botanical essences, providing a sleek finish. The Argan Oil Sleek and Smooth line tames frizz and curls with argan and monoi oils and the anti oxidant properties of goji berries. Colour safe, endlessly nourishing and perfect for those humid summer months. **Contact Bain de Terre on 1300 365 172**

## FACIAL BEAUTY WIPES

Facial Beauty Wipes by Big Towel Company contain no oils, perfumes or lint and are made of natural plant fibre. Crisp white and available in boxes of seventy-five (or large cartons at a discounted price), these Facial Beauty Wipes are perfect for beauty therapists, make-up artists and consumers. Promising the most luxurious and eco-friendly option in disposable products. **Contact Big Towel Company on 1300 big towel or visit [www.bigtowelcompany.com.au](http://www.bigtowelcompany.com.au)**

## COLORFIX FOR MEN

ColorFix allows salons to offer a service that is far too often overlooked: male specific colour products. The demi-permanent product lasts four to six weeks with a natural fade and comes in crème shades of dark, medium and light, blending with 75 per cent grey hair. Ammonia free and filled with vitamins, the range strengthens and thickens the hair, combining with the Sencience ProFormance line of hair care products to style and maintain condition. **Contact ColorFix on 1300 365 172**

## NATURAL REMOVER & BARRIER

Made from all natural products, Santorini Professional's environmentally friendly two in one stain remover gently removes hair colour stains from the skin and acts as a skin barrier. The scientifically developed product, made without animal testing, forgoes dangerous toxins such as ethanol, triethanolamine and methyl paraben which may cause allergic reactions, dehydration or premature ageing, for the safest results. **Contact (02) 9898 0299 or visit [www.westonimports.com.au](http://www.westonimports.com.au)**

## LEOPARD STYLING

Iceman's new cutting and thinning scissors come in chic, retro designs, guaranteed to deliver a bold salon aesthetic. The leopard print scissors are lightweight and well balanced, utilising hand honed stainless steel blades. With standard thumb curvature, two removable finger inserts and finger rest, you can cut any length of hair, wet or dry, in comfort. The print range extends to zebra, pink, red, green and blue. **Contact Dateline on (02) 9666 3611 or visit [www.datelinecity.com.au](http://www.datelinecity.com.au)**
