The latest tools, toys and technology

GLAM-OROUS

The GlamPalm Hairdryer is an innovative tool with state of the art Healing Stone Technology for superior salon styling. Hairdressers can look forward to a noise reduced motor, lightweight, ergonomic design for maximum airflow and ample grip, an optimal drying temperature of 165 degrees and Far-infrared Ray and Anions - the ultimate moisture lock-away system for softer hair. **Contact Glam Palm on 1300 652 797 or visit www.glampalms.com**

CLEVER TIPS

Beautopia presents a solution for reading glasses-clad clients eager for a fresh colour application - on their hair, not their 'goggles.' The colour process is unattractive at the best of times, so rather than wrapping foil around your clients' frames, slide on one of these disposable sleeves for a subtle solution to colour stainage.

Contact Beautopia on (02) 9882 3100

THE RIPPLE EFFECT

Glide Hair Tools introduces their new and improved Ripple Pins. Available in black, bronze and gold, 5 and 7 inch sizes - these kit essentials are ready for every hair type and style direction. Coated in matt paint, each pin boasts a textured surface for excellent grip that's easy on strands, with a flexibility function for locking in even the heaviest hair type. **Contact Glide Hair Tools for news on bonus Sep/Oct give aways on (02) 8094 9095 or visit www.glidehairtools.com.au**

COLOR MUD

The new Fuente Colorgamic Color Mud fuses Moroccan lava clay and baker's yeast to create an organic and purely natural permanent hair colour. Colorgamic Color Mud provides colour longevity plus complete grey coverage - all without any PPD (p-Phenylenediamine). The result? Superior colour, condition and shine. **Contact Fuente Australia on 1300 746 966**

ICEMAN RETRO

Iceman Retro Cutting and Thinning Scissors put the fun and fashion back into scissors. These 5.5" salon essentials are lightweight, well-balanced and affordable with hand-honed blades for the most meticulous precision cuts. Each scissor features stainless steel blades with offset design, a removable finger rest and two removable finger inserts with standard thumb curvature. **Contact Dateline Imports on (02) 9666 3611 or visit www.datelinecity.com**

THE ORIGINAL PREMIER

Always working to enhance the comfort and functionality of salon life, Joiken introduce the Australian made Original Premier deep ceramic basin. Available in black and white (silver or black body) and fitted with all Australian approved tap ware, even the longest basin rituals are now stamped with a comfort guarantee. The basin also comes with a large hair catcher waste. **Contact Joiken on 8781 0123 or sales@joiken.com.au**
