FAST PACED CLIPPERS

Ever dreamed of owning a Ferrari? That dream is about to become a reality with the new BaByliss PRO Volare X2 Ferrari Clipper. Powered by a Ferrari-designed engine and in a high-gloss red finish (of course), this clipper is designed for power and beauty, just like the famous cars. The precision cutting blade is titanium coated for use on wet or dry hair, and can be arranged in four cutting positions: 0.8mm, 1.2mm, 1.6mm and 2.0mm. **Contact BaByliss PRO on 1800 126 806**

VOILÀ!

Intercosmo Voilà D-Blonde is an Ammonia-free bleach which gently lightens up to six levels. The Keratin enriched formula helps restore the hair's elasticity and contains a violet pigment to combat the yellow tinge that so often comes with other lightening products. **Contact NYX Pty Ltd on 1300 768 433**
