lovinggirlylife So excited to try these lovely products by @12reasonshair ☐ This is the Keratin range, which helps strengthen your hair and protect it from further damage. It also contains Macadamia Oil which gives extra hydration ☐☐ I love that this brand is salon-quality, Australian owned, vegan and cruelty free. And I also love it when hair products are paraben and sulphate free, which is definitely the case ✨ oh and btw, they smell delicious! So far, I've tried the serum and it left my hair feeling super smooth and shiny, so I'm very impressed ☆☆ #12reasons #12reasonshair #iglamour #ad
