Diane Kendal creates statement brows.

**PRIMER AND FOUNDATION**

Get the look at Alberta Ferretti: Her secret weapon for a flawless face? Embryolisse Lait-Crème Concentré, \$20, to create dewy texture, topped with M.A.C Mineralize Moisture SPF 15 Foundation (above), \$49.

**LIP PIGMENTS**

Get the look at Jason Wu: For this ultra-glam lip, Kendal layered five different shades: first, M.A.C Pro Chromaline in Process Magenta, \$35, then two red liners, a soft pink tint dabbed in the centre, and a neon orange pigment dusted all over.

**MAKE-UP ARTIST**

**Diane Kendal**

Despite masterminding the statement lip of the season at Jason Wu, natural-looking, "no make-up" make-up is what Kendal does best. With backstage cred at Proenza Schouler, Victoria Beckham and Carolina Herrera, she turns out take-your-breath-away skin and subtly defined eyes every time.

**IRIDESCENT EYESHADOW**

Get the look at Chloé: Applying M.A.C Pigment in Copper Sparkle, \$39, in a slight triangle shape across the lids gives eyes a graphic effect.

Kendal's streamlined make-up arsenal.

**FINISHING SPRAY & SERUM**

Get the look at Suno: Kérastase Résistance Double Force Spray, \$44, and Kérastase Elixir Ultime Moringa Immortel (right), \$55, kept this architectural style in place.

**HAIRPINS**

Get the look at The Row: After separating hair into two sections and twisting them into knots, Gilbert secured them with sturdy pins. Try Premium Pin Company 999 Fringe Pins 150g, from \$22.95.

**HAIRSTYLIST**

**Odile Gilbert**

As one of the few top female stylists in the industry, Gilbert's impeccable craftsmanship and penchant for wild textures has led her to collaborate with A-list designers such as Donna Karan and Olivier Theyskens. ■
