I am OBSESSED, to say the least, with this @designmehair Quickie Me dry shampoo! Like I cannot stress to you enough how amazing it is! I don't even have to use it every day, I just apply once and it lasts easily an extra 3-4 days! I love using the dry shampoo for blondes or pastel coloured hair as it lightens my roots just a touch! I was so kindly gifted these amazing products from @iglamour_aus.

Swipe for the during and after results!
