## NEW BLACKMORES PROBIOTICS+ KIDS DAILY HEALTH

New Blackmores Probiotics+ Kids Daily Health helps maintain kid's digestive balance and healthy immune function. It contains four specifically selected probiotic strains, providing 12.5 billion good bacteria, plus a prebiotic and vitamins C and D3. It's also fridge-free – a specialised formulation process and packaging technology helps keep the good bacteria alive.

Always read the label. Use only as directed. Vitamin supplements should not replace a balanced diet.
