HERE'S THE LATEST AND GREATEST IN NEW LAUNCHES FOR HAIR

Naomi Watts

## MINI SAVIOURS

Your favourite dry shampoo just got better. These cute little minis are the ultimate handbag staple for post-gym touch-ups on-the-go...

Batiste Luxe & Beautiful Brunette, \$4.99 each, [priceline.com.au](http://priceline.com.au).

Isla Fisher

## TOUCH-UPS

For immediate root concealing, this range of touch-up sprays conveniently cover grey in between colour treatments. The dry, satin finish mist is pretty much foolproof...

Kevin.Murphy Retouch.Me, available in four shades, \$39.95, [kevinmurphy.com.au](http://kevinmurphy.com.au).

## SHADY LADY

Once in a while a new product arrives at the office and we think, 'Why didn't I think of that!' This new concept from hair brand The Shade is ingenious. Simply go online and complete a colour consultation, have your perfect colour revealed and receive your at-home colour kit delivered to your door. The initial box includes everything you need to set up your at-home salon, including mixing bowl, brush, colour proof cape, and lots more! You can also set up to have your colour delivered whenever you need it, at home, in a post-box friendly pack... grey hairs be gone for good!

Hair colour kits, \$49.90, [theshade.com.au](http://theshade.com.au).

Design.Me Puff.Me Volumising Cloud Mist and Light Volumising Cloud Mist, \$27.95 each, [i-glamour.com](http://i-glamour.com).

BEAUTY EDITOR FAVE

## OH MY PRETTY!

Get your hands on one of these new limited edition stylers by British designer Lulu Guinness x ghd - featuring the designer's signature lip print - and help support the National Breast Cancer Foundation, with \$20 from every sale donated to the cause.

Katie Holmes

These small volumising mists are the perfect partners for adding instant life to your do. Treat them like a dry shampoo and spritz on hair from five to 10 centimetres away. For fine hair sufferers like me, choose the game-changing light option.
