### NATURAL PROTEIN

Vital Protein is a 100 per cent pure pea protein - no whey! Vital Protein has a high protein content per serve so is perfect for fat burning, plus is low carb, low fat and contains less than 100 calories per serve. Sourced from the superior European golden pea, Vital Protein is all natural and is available in vanilla, chocolate, decaffeinated green coffee and unflavoured options.

VISIT VITAL.PROTEIN.COM/AU FOR MORE  
INFORMATION & TO REGISTER FOR A SAMPLE.
